Julie K

BORN TO PERFORM

Music has played a significant role in Julie K's life since the age of five when she spent her time arranging backyard performances for the neighborhood. Julie received a Bachelor of Arts degree in vocal performance from Rollins College in Florida and owns and operates her own business that focuses on teaching music and movement to children and families.

Inspired by a message from her church on "The Bucket List", motivated by her son Weston and encouraged by her family Julie was driven to create great music that children and their parents could enjoy together.
